

Clinical Safety

Precautions

Dear Clients and Friends,

We feel that the best way to serve you in light of Covid-19 is to closely follow the below guidelines:

- Limited traffic within the clinic
- There will be 15 minutes between clients to ensure proper and thorough sanitization measures
- Hand sanitizer available in all rooms
- Disinfecting all surfaces, door knobs, massage tables etc
- Gloves will be worn upon request during sessions
- Safety glasses will be worn upon request during sessions
- Clients, Receptionists and Therapists are to wear masks at all times
- A Covid pre-screen survey is sent to clients 24 hrs before each appointment
- Temperature taken upon arrival
- A plexi glass barrier at the front desk
- No touch policy- Retail items
- Unnecessary items reduced from the clinic
